

## Assawompset Elementary School

### Parent Survey Results

The School Council met on October 29. We discussed parent survey results as well as the MCAS results. Those results are listed below. I am very pleased with the continued growth, especially in the academic areas. A survey in regard to attending Nature's Classroom for both grades 3 and 4 will be created as we have concerns over current interest in both years.

*Laurie Hunter,*

Principal, Assawompset School
