Dear Third Grade Parents:

In anticipation of upcoming events over the course of the third grade year, I would like to bring a few dates to your attention. I hope that providing these dates to you early on will assist you in your planning.

**Nature’s Classroom**

October 14, 2008            PTO Meeting            7 p.m.

At this meeting, a representative from Nature’s Classroom will provide an overview of the program. If you wish to enter the lottery to chaperone the trip, you must attend this presentation. Registration and deposits will be due shortly after this meeting.

May 20-22, 2009

Grade Three trip to Wakefield, RI

**MCAS**

Children in grade 3 will be tested in both reading and math this year. Should a child not take the test, it has a large impact on both them as individuals and the aggregate school results. We ask you to avoid planning appointments or vacations on test days. This year’s dates are as follows:

|         |                         |  |
|---------|-------------------------|--|
| Reading | March 31, April 1 and 2 |  |
|---------|-------------------------|--|

|      |               |  |
|------|---------------|--|
| Math | May 12 and 13 |  |
|------|---------------|--|

Should you have questions or concerns, please contact me or your child’s classroom teacher.

Sincerely,  
Laurie Hunter
