

## FLRSD Home Schooling Policy - IHBG

The Massachusetts General Law requires the Freetown-Lakeville School Committee (FLRSC) to determine that a Home Schooling program meet with the minimum standards established for public schools in the Commonwealth prior to approving such a program. When a parent or guardian of a student below the age of 16 wants to establish a home-based educational program for his/her child, the following procedures shall be followed in accordance with the law:

Prior to removing the child from public school:

The parent/guardian must submit written notification of establishment of the home-based program to the appropriate administrator 14 days before the program is established, and resubmit notification on an annual basis as long as the child or children are being educated in a home-based environment.

The parent/guardian must include in the written notification, the name, DOB, grade level, place of residence, and number of hours of attendance of each child in the program.

The Superintendent or his/her designee shall give the notice to produce records required by law if there is probable cause to believe the program is not in compliance with the law. Factors to be considered by the Superintendent or his/her designee in deciding whether or not to approve a home education proposal may be:

1. The proposed curriculum and the number of hours of instruction in each of the proposed subjects.
2. The competency of the parents to teach the children,
3. The textbooks, workbooks and other instructional aides to be used by the children and the lesson plans and teaching manuals to be used by the parents.
4. Periodic standardized testing of the children to ensure educational progress and the attainment of minimum standards.

A student being educated in a home-based program within the Freetown-Lakeville Regional School District (FLRSD) may have access to public school activities of either a curricular or extracurricular nature upon approval of the Superintendent.

A student, with the approval of the FLRSC, may be awarded a high school diploma if he/she has satisfied the Dept. of Elementary and Secondary Education's competency requirements and has met the District's educational standards for graduation.
