While enjoying a career record of 85 wins and 8 losses (including tournament games), her 971 rebounds and 436 blocks set two school records. "Tiff" was on pace to become a 1000 point scorer (and hitting the 1000 rebound mark) until a severe ankle injury kept her sidelined for six games and stopped her career total at 921 points.

*Tiffany made an early decision and signed with Franklin Pierce University to study and play on a basketball scholarship. With a Master Degree in Business Administration, and currently pursuing her doctorate in education, she is a Human Resources Director for the Royal Health Group.
