Home Language Survey

Massachusetts Department of Elementary and Secondary Education regulations require that all schools determine the language(s) spoken in each student's home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students. If a language other than English is spoken in the home, the district is required to do further assessment of your child. Please help us meet this important requirement by answering the following questions:

One Call Now Contact Information

Dear Parents/Guardians,

The Freetown-Lakeville Regional School District has implemented the One Call Now notification service (Integrity). This service allows the school to send a message to ALL of our students' parents/guardians on two contact numbers within minutes. This service can and will be used should an emergency occur as well as notification of school closings.

This system can only be as successful as the contact information we have been given for our students. In order for the message to be delivered successfully and in a timely manner, we are asking your help. We are asking you to please give us two (2) contact numbers that you would want to be called in the case of an emergency or no school announcement.

Please fill out the bottom of this page and contact the school immediately if your address or any of your phone numbers change.
